

About Us

Welcome to the official website of KPMPT/KPMEA Common Bio-Medical Waste Treatment Facility (CBMWTF) - Bijapur! Our mission is to foster a healthy and safe environment for our community and the healthcare professionals who serve it. This channel is dedicated to educational purposes, helping you understand the critical importance of proper bio-medical waste management and how our facility operates to protect public health and the environment. What We Do: KPMPT/KPMEA CBMWTF-Bijapur is an authorized facility that collects, transports, treats, and disposes of hazardous and infectious waste generated by various healthcare units in the region (including hospitals, clinics, and laboratories). We operate in strict compliance with the guidelines set by the Karnataka State Pollution Control Board (KSPCB) and the Central Pollution Control Board (CPCB).
